

## **- David Awram becomes a Director of NuLegacy -**

February 1st, 2010 Reno, NV - NuLegacy Gold Corporation announces that David Awram, currently Executive VP and Director of Sandstorm Resources Ltd., has joined the Board of Directors of NuLegacy Gold Corporation.

Previously Mr. Awram was the Director of Investor relations for Silver Wheaton, a Vancouver based mining company listed on the TSX and the NYSE. Prior to his role with Silver Wheaton he was manager, Investor Relations with Diamond Fields International Ltd. David is a graduate of the University of BC with a BSc in Geology. As both a geologist and a corporate financier he provides NuLegacy with direction in inventor relations, corporate governance and finance.

Sandstorm Resources Ltd. is a well financed public precious metals finance company with a market capitalization in excess of \$150 million two years after inception. It finances resource companies through the acquisition of volumetric production payments (i.e. 'metal stream purchases') and royalties on their precious metals production.

NuLegacy Gold Corporation is a private Nevada focused gold exploration company financed and operated by a well-respected management and corporate governance team that has successfully identified, discovered and developed numerous gold resources. The company's objective is the discovery and sale of significant multimillion-ounce gold deposits utilizing highly focused exploration programs employing sophisticated techniques for targeting the follow-up drilling to previous exploration programs.

ON BEHALF OF THE BOARD OF DIRECTORS OF NULEGACY GOLD CORPORATION
