Good morning Folks,

+ [To view floor plan for our booth](#)

Hi Folks,

Just to let you know that NuLegacy Gold will be attending the 2016 New Orleans Investment Conference being held at the Hilton New Orleans (between October 26th and October 29th).

Chief Geoscience Officer Roger Steininger, the discoverer of the Pipeline, Iceberg and now the Avocado gold deposits will be in attendance, along with our Investor Communications Manager, Frank Lagiglia. If you are attending, live in the neighborhood or know someone that is attending, please send them by our booth (Number 126).

They'd love the opportunity to meet with you and give you some colour background on our progress and our plans; or if you would prefer a private meeting to discuss your investment intentions please email Investor Communication Manager Frank Lagiglia at [frank@nuggold.com](mailto:frank@nuggold.com) to arrange a time for a meeting with Roger.

Thank you and cheers,
