## VIDEOS & BRITISH TRUSTS

---

Good afternoon Friends, Family and NuLegacy Shareholders/Stakeholders,

It would appear many of you have not had a chance to view our [Latest Video on the Iceberg](#). I sent it to 1,500 of 'my nearest and dearest' of you yet we have had only 300 'views'!...?

Please take just 4:20 to view it and remember to give it a "thumbs up" if you like it...as I am sure you will. You will help move up the 'viewed' count and you should come away with a clearer understanding of what we have, and are working to achieve for you as we advance our project to fruition (spelt 'bought-out').

In addition, judging from the questions we are receiving many of you may have missed the article I wrote on the pending Global Resource Investment Trust share swap financing. It can be viewed at the following link [The British Are Coming](#).

More news to follow soon.
