## SPRING SNOW STORMS IN MARCH

### To NuLegacy shareholders/stakeholders:

Hi Folks,

People forget that Reno is just a 40 minute drive from the ski hills of Lake Tahoe. This was a picture that one of our geologists took in Reno last week. Conditions on the Red Hill property - some 300 miles east of Reno are even more wintery than this.

[NEWS RELEASE: Spring Snow Storms Delay Drilling Start](#)

All the best and cheers,

*Albert*
