To NuLegacy shareholders/stakeholders:

Good day folks,

With the enrollment of Robert Leonardson, discoverer of much gold and mentor to many of Nevada's top gold finders, we have recruited the remaining available key members of the 'Goldrush' discovery team.

The 'legendary' octogenarian is amazingly sharp and quick to analyze the strengths and weakness of our database/s and provide valuable insights for vectoring in on the possible locations of substantial intervals of high-grade Carlin-style gold.

Pending completion of the analytical review of all our data and a financing we are eager to test these targets this summer.

Thank you and cheers,

Albert
